

# ELIZABETH TECK

**Design by**  
Nathan Yong

## Description

An iconic model from the 2013 collection, Elizabeth captivated from the first with its organic, modern approach to the wing chair. As always, Nathan Yong combines the sensual enhancement of materials with fluidity of line.

This year, to extend the benefits of this welcoming nook to the world outdoors and to further reinforce his enhancement of the solid wood, Nathan Yong is adding 2 new pieces to the collection (a low-backed armchair and small settee), both made from splendid solid teak.

The choice of special 'outdoor' covering materials for the cushions makes it possible to use this seating out of doors.

## Technical Specifications

### CONSTRUCTION & COMFORT

Structure in solid teak (from managed plantations in Indonesia) for indoor/outdoor use. All of its cushions may be upholstered in different covering materials/colours. Back cushions filled with polyester quilting; seat cushion in foam 42 kg/m<sup>3</sup> held within an inner liner made from 100 % cotton fabric with waterproof, mould-resistant treatment and watertight, ultrasonically soldered seams.
